

“立約打印” 作什麼？

“Why setting-up a contract and affixing seals?”

尼 9：32—38

Neh 9:32-38

1) 祭司與利未人承認自己和先祖的過犯。

The priests and Levites acknowledge their own, and their ancestors' sin.

2) 承認神是守約施慈愛的神。

They acknowledge that God is loving and faithful to His covenant.

3) 重新悔改，所以” 在神的面前” 立約簽名為要遵行神的話。

Repent again; in “God’s presence”, draw-up a contract and affix seals to obey God’s word.

結論: 我們同樣要檢討自己，與神立約再出力。

Conclusion: We need to examine ourselves in the same way: establish a covenant with God and move forward again.
